

RECOMMENDATION

March 5, 2014

To whom it may concern,

It is with great enthusiasm that I recommend Seven Oaks Consulting and Jeanne Grunert to you. I have worked with Jeanne since 2000, when she worked for the College Board in NYC and continue to utilize her expertise as a freelance copy writer and marketing consultant since she opened Seven Oaks Consulting in 2007.

We have also used Jeanne's market research services to help us prepare proposals and client pitches. Jeanne uses her time effectively and efficiently, and provided great research that saved the agency valuable time as we prepared for a client meeting.

What we like best about Jeanne is that she brings a rare combination of skilled copy writing services, research and marketing expertise to every project. Her writing is engaging, interesting and we find that there is very little need for time consuming revisions. Best of all, Jeanne always delivers on time sans drama or surprises.

As the owner of a marketing agency, I know that it's hard to find dependable freelance support. In Jeanne we get a wealth of real world experience, a strong work ethic and consistent reliable results.

I highly recommend Jeanne and Seven Oaks Consulting.
