MET ALL OF OUR WRITING EXPECTATIONS WITH EXCELLENCE

"It is with ease that I write this favorable letter of recommendation for Jeanne Grunert. Ms. Grunert has provided freelance writing for ThumbPeople during the past year. I've worked closely with Jeanne in this capacity within my position as the editor and coordinator for all of ThumbPeople's written content. Consistently, Ms. Grunert has provided ThumbPeople with original, quality writing and content for our websites, search engine optimization and online marketing needs.

Our writing needs are very specific. This requires Ms. Grunert to write unique, interesting, factual, heartfelt content pertinent to varied subject matter. Along with these requirements, Ms. Grunert is instructed to integrate several keyword phrases numerous times within her writing content. Often times these keyword phrases can be cumbersome and the expectation is that her writing would still flow and appear seamless.

Ms. Grunert has met all of our writing expectations with excellence with respect to our deadlines and in a timely manner. Her writing has correct structure, grammar and requires little to no editing. I recommend Jeanne Grunert for your writing needs." – Cathy Kirchner, Editor, ThumbPeople (children's media and publishing company)

MARKETING INSIGHTS GREW MY BUSINESS OVER 50%

"I can honestly say that finding Seven Oaks Consulting and Jeanne for marketing work for me really made my business grow. I used Seven Oaks Consulting to help us with a new website design that included SEO. Jeanne also designed a marketing plan for Crystal Image Photography and made suggestions that really got us noticed. We used Jeanne's suggestions on different types of adverting and our wedding photography business grew over 50 percent!" – Crystal Vandegrift, Crystal Image Photography

ABSOLUTELY BRILLIANT AT WHAT SHE DOES

"Jeanne helped me look at my marketing to my clients in a new way and gave me some inspiration. I was able to finish my web design and content writing site and get out e-mails and letters to my old clients. I was feeling so desperate, praying non-stop (God truly answered my prayers with the exact amount I needed to pay my bills) and wondering if McDonald's was hiring. Jeanne gave me a plan of action for marketing my services and some words of encouragement that were greatly needed. After contacting old clients and utilizing her suggestions, I now have several of them signed up with me and a really positive response of people being thrilled I'm back in the web design and promotions business. I thought I knew a thing or two about promotion, but Jeanne is absolutely brilliant at what she does. I can't recommend her highly enough." — Lori Soard, Freelance Writer

A TRUE PROFESSIONAL IN SALES AND WEB MARKETING

"Jeanne Grunert gave me more insight into the inner workings of MY OWN WEBSITE AND MARKETING PLAN than I'd ever thought possible. I do NOT say this lightly. Sometimes when you're entrenched in your own business---you've seen your own writing so often that you lose the ability to truly analyze your own efforts objectively. This is where I'd recommend an honest, fairly-priced, true PROFESSIONAL IN SALES AND WEB MARKETING.

And I've found no better person that fits this description more accurately than the one and only Jeanne Grunert of Seven Oaks Consulting. Jeanne has the real-world experience and expertise necessary for you to objectively look at your business, come up with reasonable solutions to

JEANNE HELPED ME FOCUS

"Working with Jeanne has added remarkable value to my business. While I am very confident in the service I provide, my understanding of how to market is not sufficient to grow my business the way I wanted. Jeanne has helped me focus, broken imposing tasks into small steps, and is honest yet always tactful. Best of all, she's delightful and enthusiastic."
